

ROBERT WILLIAM CORL

BROKER/AUTHOR/INSTRUCTOR RESUMÉ

[1982 - Present] Educator/Author
R.E.Broker/Author/Educator/School Administrator and Online Author
I've been a classroom instructor since finishing my Masters Degree in 1980. I taught music in the Philadelphia Public School system before I began teaching general real estate courses in 1984 and computer programs for real estate professionals in 1990. I've been an online instructor/author for Bellevue and Pierce Colleges, working in the Vista and WebCT and platforms, and became certified in the Blackboard Academic Suite

EDUCATION

[1980] Temple University, Philadelphia, PA
Masters Degree – Music Performance, Opera

[1978] Temple University Philadelphia, PA
Bachelors Degree – Education (Music)

[1967] Bucks County Community College Doylestown, PA
Associates Degree – Liberal Arts (Secondary Education)

PROFESSIONAL EXPERIENCE

[2003 -present]South Puget Sound Community College (SPSCC) Lacey, WA
Computer Instructor/Independent Contractor
I have been involved with SPSCC as a computer instructor since 2003. I currently teach the entire Microsoft Office Suite (2007), including Outlook, Excel, Word, Access, Visio, Expression Web, SharePoint Designer, and recently added the enterprise networking software package Sharepoint Services to my repertoire. I also teach other web related classes, including HTML and various parts of the Adobe suite, including Adobe Dreamweaver CS4 and InDesign.

[2003 - 2010]Pierce College Puyallup, WA
Online Instructor/Author
Co-authored and handled web design for proprietary online courses in Real Estate Law, Fundamentals and Practices, as well as a complete series of Real Estate Appraisal courses, both for college credit and CE credit for real estate professionals and appraisers. These courses are part of a two year Associate Degree in Business program. There are two degree tracks: real estate and appraisal.

[2002 - Present]Bellevue College (BC) Bellevue, WA
Online and Live Instructor/Author
From 2002 to 2008 I taught my own 15 hour investment course twice per quarter based on my book, *Mastering the Magic of the HP12c* (My book is **endorsed by Hewlett Packard** – www.rpublications.com) featuring programs I designed for this calculator, and real estate investment software I designed using Microsoft Excel. Also co-created and hosted online CE

Courses during this same time period for the real estate industry. My writing partner and I now have 10 online courses published on the Bellevue College web site, and we have a contract with Seattle King County Realtors® in which SKCR has agreed to recommend our courses to their 6,200 members by creating a registration link to BC on their website.

[2003 - Present] Americas Best Real Estate School Sequim, WA
CBT and Online Author/School Director

America's Best was bought out by 360 Training, but I continue to receive royalties on the Real Estate Ethics online course I designed for ABRES. I am currently the school's Certified Education Director for online courses for the state of Pennsylvania.

[2000 -2001] Washington Association of Realtors® Olympia, WA
Director of Education

Responsible for education in 33 regional Realtor® associations throughout the state.

Designed and presented the 2001 Instructor Development Workshop (IDW) for the state of Washington to teach over 40 instructor's from around the state how to write and administer on line courses.

Helped produce and acted in a nationally distributed real estate education video in support of the National Association of Realtors®.

[1999 -2000] Capital Business Machines Olympia, WA
Director of Training

Primary instructor and manager of a computer training facility handling software and systems engineering courses.

Taught full spectrum of Microsoft software courses, including Office Suite, Front Page, Project, HTML, etc.

Completed the 6 month Microsoft Certified Systems Engineer Course (MCSE) in 2000.

[1991 - 1999] Weichert Realtors® Morris Plains, NJ
Director of Education, Metropolitan RE School, Pennsylvania and Delaware

Certified Real Estate School Director in PA and DE, and also created corporate training in 6 states & the District of Columbia for parent company, Weichert Realtors. I created the schools for this company in both Pennsylvania and Delaware.

ADDITIONAL PROFESSIONAL ACTIVITIES

Free-lance writer and nationally published author – Journal of the Real Estate Educators Association (REEA), and Real Estate Today (the magazine of the National Association of Realtors® - now, Today's Realtor®).

Author of 2 self-published books: *Mastering the Magic of the HP12c* (now directly supported by the Hewlett Packard Company by a link from their website to mine, www.rcpublications.com See their website, "HP Calculators" Also authored *MatheMagic* (general and real estate mathematics solutions), used by online students in real estate since 2006.

Certified Fair Housing Instructor since 1984.

Certified New Homes Sales Professional (**CSP**) **Instructor** for **NAHB** (National Association of Home Builders) from 1993 to 2005.
